### NETBALL TOURNAMENT

On Tuesday 25 May, 11 girls took part in the Otago Netball Competition. The tournament took place at the Mt Wellington Netball Centre. We played 7 games in total. With 6 wins and 1 loss. Overall our team was placed 2nd for our Grade which was a very satisfying result. We had lots of fun and the team members displayed good sportsmanship. Thank you to all the supporters for cheering for us on and thank you to all the parents who supported us throughout the tournament.

### AUSTRALIAN LEAGUE STAR

Its always a nice surprise to see an ex-student walk through the Redoubt North gates—Richard Barrett is no exception! On Thursday afternoon he gave the middle and senior schools an inspirational talk about his successful NRL career. Richard Barrett attended Redoubt 15 years ago and we are proud to have him as one of our own!

### SIR JOHN GRAHAM

Congratulations to Sir John Graham, friend of the school and sponsor of our Kids Rich in Character programme, for being awarded the Knights Companion of the Order in the Queens Birthday Honours List.

## AN UNDERWATER EXPERIENCE

On Thursday, 9 June, a large group of excited Junior School children attended a magical performance at the Telstra Clear Pacific Event Centre, "Songs of the Sea". A large conch shell whispered stories of the ocean, while florescent puppets floated and danced telling how the children of Te ika Marama, the lonely moonfish and Te ika Ra, the bright sunfish got their beautiful rainbow colours. It was a dazzling, musical experience. We would like to thank all the parents who supported us on the trip.

## HOWICK HISTORICAL VILLAGE VISIT

As an extension to their current topic of Victorian and Colonial times, Enterprise students visited the Howick Historical Village, in Lloyd Elsmore Park. They were greeted by characters from the 1800's and spent the day immersed in the life and culture of the Howick residents of the time. The students had a chance to participate in a real life courtroom re-enactment and attend a Victorian school lesson. They also played with some outdoor games from the 1800's and experienced what it was like to be a child in that era. It was a very valuable learning experience and has been a great help with their inquiry learning.

## DENTAL TREATMENT

All students attending Redoubt North School will now attend the Dawson School Dental clinic for their dental treatment. This clinic is open between the hours of 8.30 am—2.30 pm Monday to Friday.

We request that parents call Dawson Dental clinic to make an appointment for a time that is suitable on Ph 274 9377. The clinic is situated at Dawson School, Haumia Way (next to Tangaroa College) Otago.
