SUMMERSET RETIREMENT VILLAGE VISIT

Enterprise 4 and the choir visited the residents of Summerset Retirement Village to entertain them. The choir sang "We'll Meet Again" and the class sang a medley of their favourite songs. A group of year 7/8 boys also presented a study of work they had been completing on the Lancaster Bomber and the "Dambusters". The visit was part of a community focus Enterprise are involved in developing.

KRiC VISIT—JOHN GRAHAM

We were delighted to host Mr John Graham (ex All Black) and his wife Sheila at a special assembly last week. Mr and Mrs Graham are our sponsors for the

Kids Rich in Character programme we are currently implementing through Quantum Sport. Mr Graham signed our trophy rugby ball which was presented to the school at the KRiC launch 2 weeks ago. Mr and Mrs Graham also walked around the school to see all the classes in action. We are very honoured to have them as our sponsors and look forward to them visiting us again.

PETER PAN—AOTEA THEATRE

Was it a bird? Was it a plane? No, it was Peter Pan flying above the stage of the Aotea Centre to the delight of the audience. Voyager and Explorer pod children were enthralled by the National Youth Theatre's performance of Peter Pan on Thursday, 20 May. Having already heard the classic story at school they readily identified characters and excitedly waited for their favourite parts of the action. For a short time reality was suspended and imagination took flight. What a wonderful opportunity for language enrichment, and as usual we were so proud of our children's behaviour in public. Well done!

A huge thank you to Constable Steve Smith, Mrs Zoe Frost and Constable Simon Toomer, in assisting with this fascinating study.
