RUGBY LEAGUE WORLD CUP

Walking out with the world's best and meeting the Prime Minister!

Seventeen students from Redoubt North had their dreams come true on Saturday night at the Rugby League World Cup. Our students had a once in a lifetime opportunity to walk out onto the field with the Kiwi players for their first game of the Rugby League World Cup. The Redoubt students stood proudly smiling and singing in front of the Kiwi players as they sang the National Anthem. To make the evening even more memorable the students had incredible seats to enjoy the game and watch the Kiwis win. We were also sitting just a few rows in front of Prime Minister Jacinda Ardern. After the game the Redoubt students had their RLWC t-shirts signed and their photos taken with the Kiwis and Samoan players. We would like to say a massive thank you to NZRL for this amazing experience that our students will never forget. **GO kiwis - good luck for your game in Christchurch this weekend.**

School closes 2pm

TUESDAY 30 January 2018
First day T1

SWIMMING

Wednesdays and Fridays are the best days for the Middle School as we head off to the Papatoetoe Centennial pools for free swimming lessons, sponsored by the Sir John Walker Foundation Find Your Field of Dreams. The twenty-five minute lessons are conducted by qualified instructors. Our students are really enjoying splashing, floating, dunking and kicking their way across the training pool. Parents are welcome to meet us at the pools to watch their child's lesson.

PARKING

The school is receiving complaints regarding parents/whanau parking in driveways when collecting children at 3pm. In the interest of child safety could we ask that you park according to the Road Code and also not on private property. Thank you

BOOKFAIR

During the holidays staff from Redoubt North packed and lifted thousands of books that had been donated to our school from the Howick Rotary Club. We worked tirelessly sorting and categorising all the books ready for the sale on Wednesday 1 November. We had a huge turnout of families and locals from our community and beyond. The \$723 raised will go towards our annual tradition of buying toys and Christmas gifts for the Salvation Army Christmas Appeal. **Thank you for supporting us.**

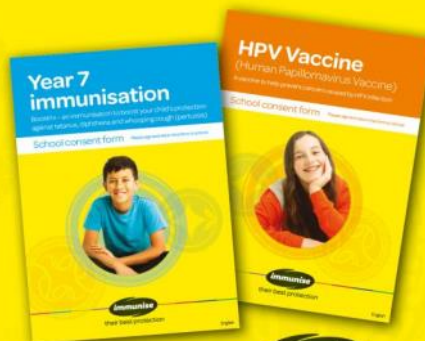

School will close THURSDAY 16 November at 2pm

PEDAL POWER

We are fortunate to have the Pedal Power programme in Redoubt North School this term for our Year 4 to Year 6 classes. This programme gives the students the opportunity to learn fundamental cycle skills and safety over 5 sessions within the school environment. We would like to say a big thank you to Counties Manukau Sport who provide the BMX bikes and helmets free of charge, giving all children the opportunity to ride.

DICKIE TEREPO ROLLER MILLS COMPETITION

In the 2nd week of the holidays I represented Auckland East in the Northern Roller Mills Tournament held at St Peters School in Cambridge. There were 2 pools of 5 teams. We were in the pool that included Counties, Northland, Waikato and King Country. We won all our pool games and in the

semi final we won against Auckland West 33-10. In the final against BOP we played a very tough game and beat them 29-17 to win the series. We were so excited and proud of ourselves.
