**It's cool to be kind!** We celebrated Valentine's Day by making hundreds of hearts out of Lego. Everyone worked really hard and had lots of fun making their class section of the giant heart look fantastic! Each class member made at least one Lego heart for the display, so we hope there were more than 1000 hearts on the quad. Thank you to all our parents and visitors who came and made their own Lego heart.

**INFORMATION EVENING ENTERPRISE**

We had a great turn out at our Parent Information Evening on Wednesday night. It was wonderful to meet lots of new parents and say hello to many familiar faces. This was an important night to meet and greet one another, become familiar with expectations and discuss the learning and events planned for the term and year ahead. We really appreciate all the whanau support and look forward to working with both students and their families in 2019.

## START OF YEAR REMINDERS:

### SCHOOL HOURS

A reminder that school is open from 8.30am until 3pm. Whilst the gates are open before these times we ask that parents do not drop their children off to school any earlier. Staff are not available to supervise children or monitor their safety. Year 6-8 children are allowed at school earlier, at 8am if they are training for sports tournaments.

### SCHOOL LUNCHES/WATER ONLY

Please be aware that we encourage children to have a healthy lunch. Takeaways, fizzy drinks, lollies and gum are not permitted at our school. As we are trying to reduce waste in school, left over food and wrappers will be returned home. This also informs parents of what their child has eaten during the day. A reminder also that we are a "water only" school.

### CELLPHONES

Cellphones are not permitted at school. This is to avoid breaches of privacy, interruption of school lessons, cyber bullying and theft. Students found with cellphones will be required to hand it in to the office for parents to collect from school. In the event of emergency, family can contact the school on 2639060.

### UNIFORM & STATIONERY

All items can be purchased from the school office as a convenience for parents. Please note, sunhats are critical at this time of the year and are part of our sun smart safety policy. Thank you for your support.

## YEAR 7/8 GIRLS CRICKET

On Wednesday two Enterprise Girls Cricket Teams competed in the first tournament of the year. The girls played teams from Ferguson, Holy Cross, Viscount, Kedgley and Papatoetoe Intermediate. Our teams had a fantastic day and were able to meet Katie Perkins, a member of New Zealand White Ferns. Katie spoke to the girls about working hard in life to achieve success and not

being afraid to make mistakes. Our girls cricket team came second for the highest number of boundaries scored on the day with 36 fours and 7 sixes. Players of the tournament were Faith Faafoina and Zaira Manir.

## ORIENTEERING

This week our Year 5, 6, 7 & 8 students have all been taking part in Orienteering class sessions with Counties Manukau Orienteering. The students and teachers enjoyed testing out their map reading skills on our new school Orienteering course. At the end of this term a group of Year 7 & 8 students will represent our school at the South Eastern Zone Intermediate Orienteering competition.

## NEW STAFF

Welcome to our new staff member, Ms Liesl Midgley in C2. It has been possible once again to secure and retain talented and highly qualified teachers to ensure that we are fully staffed for 2019.
