A LEGO ADVENTURE - SCHOOL PRODUCTION

Our school Production this year, "A Lego Adventure", was an extravaganza of dance, song and amazing costumes. The story of 4 children with missing Lego pieces, led them on an adventure to ancient Egypt, to the Pacific island of Motu Nui, where they ran into Tamatoa - the giant crab from Moana, then off to outer space with a visit to the Star Wars realm. A quidditch match in Harry Potters world came next with a grand finale of all the Lego figurines dancing up a storm. The cast of 148 actors, singers and dancers was the largest we have ever worked with and we were so proud of everyone for the colourful and exciting show that they entertained us with. A huge thank you to Mrs Harkness (writer and director) and all the staff that helped out behind the scenes. Please see our facebook page for more photographs. The video of the show will be available in the next few days for you to view via our facebook page. Well done everyone~!!
