

We welcome all children and families to our school and hope you have a happy and enjoyable time with us. Adam Suniula, Dylan Kumar, Jack Mahani and Leonard Ioane

AIMS GAMES

AIMS games was really intense and competitive. We travelled down to Tauranga for the first time to play our favourite sport, Tennis—it made us feel so privileged. We enjoyed every single moment of the event, but mostly playing the sport we love for a whole week. It was such a great experience and will stand us in good stead for our next competition. Now we know what we'll need to work on to be even better. We'd like to say a huge thank you to our

Parent helpers, Vailea and Gina for their love and support and especially Mrs Milner and Mrs Maumea for making it all happen.

By Peata Fatai, N6, Sylvie Ruahe, N3

Sylvie and Peata received a bronze medal for the pairs competition, well done girls, congratulations!

RIPPA RUGBY TRIP TO WELLINGTON

Our Redoubt North Rippa Rugby team represented Japan at the Rippa Rugby World Cup in Wellington from the 13th to the 15th of September. The excitement started when we arrived at Auckland International Airport, for some of our students this was their first time travelling in an aeroplane. The first pool rounds started early Monday morning and the finals concluded on Tuesday afternoon. Our well trained and conditioned team ended up with 4 wins, 2 draws and only 1 loss - we are very proud of our great team representing not only their province, but also our school. Flying to a different city, staying in a hotel, visiting Te Papa museum, competing against the best teams in New Zealand, and most of all making new friends, made this an experience of a lifetime.
