RECYCLE—REUSE—RENEW

During week two and three this term, upper Explorer and Enterprise students had the opportunity to explore the Zero Waste Zone, which is a part of the Waitakere Recycle and Refuse Centre. This is a special area where everything used on site has been recycled to have a brand new use. From a fence made up of old road signs and walking sticks, to a large cow made completely out of unused recycle bins. We discovered how simple a worm farm is to make and how useful they are when throwing away our household food waste. It was also a chance for us to see what happens to our rubbish, the importance of recycling and how we can be more sustainable in the future.

The evening concluded with the announcement of the 2017 Head Boy/Girl and Prefects. Congratulations to them all - They are as follows: Harry Kaveriri Head Boy, Reikaira Bernard-Thay Head Girl, our Prefects are—Eric Ly, Eden McLean, Moses Vaka, Chi Vu, Joshua Bates, Hanna-Louise Alaelua, Lynsey Nov Lim, Trinity Campbell, Andy Ly, Aaliyah Ali, Jesse Sheck, and Raina Chandra.

FREE SCHOOL VISITS ENSURE A SUPER START!

At Redoubt North we require all new entrants to attend a minimum of four morning sessions before they start school. These sessions are free and are a great opportunity for both the child and whanau to get to know their new school, teacher and classmates. Children will spend the morning joining in class activities with family

member alongside to support this important transition to school life. This gives all our new entrants a “super start” to learning.
