NZ BALLET WORKSHOP

On Monday, 9 August, Enterprise students were part of the Royal New Zealand Ballet Workshops at school. These workshops were designed to develop understanding of the elements of dance, choreographic techniques, and classical and contemporary dance. The dance tutor was engaging, enthusiastic and the children enjoyed the new experience!

PEDAL POWER!!

On Monday 28th July, Apollo and Discovery classes had a fabulous opportunity to practice their cycling skills. Together we discovered how to ride safely and how to control the bikes - gliding and steering them around obstacle courses. Thank you to our fabulous coaches for sharing your time with us.

CONGRATULATIONS!!!

It is with great pleasure that we announce that one of our Year 6 students has been awarded the Endeavour Scholarship to attend Kings Preparatory School starting in 2022, and then following on to Kings College. Congratulations to Taniela Si'Ulua from X4 for this well deserved success. He is the 15th recipient of a scholarship for tertiary education in the last 16 years from Redoubt North. ***Congratulations Taniela!!!***

TRANSITION TO INTERMEDIATE 2022

Year 7 enrolment forms have now been given to all Year 6 students. To ensure your child has an intermediate place in 2022 please complete the form and return to the school office by the 24 September. Uniforms will need to be pre-ordered and you can try sizes on at the office outside of class time. Please take special note of the shoes that have been specified as part of the Enterprise uniform. Office staff can assist and advise parents on payment options for uniform. If you require any information please phone the office on 2639060. Please note enrolment for Year 7 is essential to guarantee your child a place.

BOTANNICAL GARDENS

During last term our Enviro Group students were learning about stormwater in Auckland and water pollution. Stormwater is rain which falls on our roads and roofs, and goes down our roadside drains before it is discharged into our streams and the sea. The students have learnt that this water is often polluted and contains litter, soil, sediments, oils and other contaminants which are harmful to freshwater and sea animals.

As a follow-on from our water pollution lessons, we visited the Auckland Botanic Gardens to see some stormwater treatment solutions (such as green roofs) in action! The students followed the Sustainable Water Trail walk around the Gardens. Our young Enviro Scientists are now part of the development of our own green roof at school.

HIP HOP CLASS

In week 1 we welcomed back our Year 7 and 8 students with a journey into the culture of Hip Hop! We spent the day learning and exploring aspects of dance from three amazing members of our community. Kiara Pascal led our tamariki in break dancing, Zed Nufable or Mr. Zee in Hip Hop dance grooves and Alexandra Page who gave us an amazing insight into the culture of Hip Hop. It was great to see our tamariki explore their creativity through dance perform in front of others. They even finished off with a full dance battle, which was all their own creations!

OLYMPIC AMBASSADOR VISIT

As part of our Olympic programme Alexis Pritchard a Bronze Medalist boxer visited our school. Everyone from the middle and senior school were inspired by her story and even got to see her medal close up! Thank you so much for coming!

NETBALL

Our three Intermediate Netball teams competed in the South Eastern Zone Netball tournament last Friday. Our Year 7 Girls team had a fantastic day playing netball in the rain and came away with a bronze medal. The Year 8 Girls team also had an amazing win, playing their way to the final and winning a silver medal.
