

Seven Kites of Matariki

**Welcome to all new students and families—we hope you settle into your new class and make many new friends:** Kevin Ye, Rama Alkadi, Jessica Le, Meleseini Kulitapa, Amosa, Leilana and Blessing Amosa Vaavaai, Yuvraj Boparai, Thanh Phan.

### BALLET IN A BOX

60 Year seven students attended a performance by the Royal New Zealand Ballet, at The Vodafone Events Centre. Everyone was in awe of the breathe taking performance as well as the skill of these professional dancers. Once the performance had ended the dancers introduced themselves and shared a little bit about where they were from, what inspired

them and how their ballet journey began. These 60 students were then invited to a ballet skills session with the dancers from the show. These talented ballerina's came to our school and taught the students some ballet moves and techniques. What an amazing opportunity to work alongside these world renowned dancers. We are extremely grateful that RNZB provided our students with this opportunity.

### FUTSAL TOURNAMENT

Enterprise Futsal teams took part in the SEZ Futsal Tournament at Sancta Maria on Tuesday. Both the boys and the girls teams made the semi-finals and were placed fourth. The Redoubt Girls pool play results: won 3 games against Howick, Pakuranga & Somerville Intermediate, drew 2 games against Farm Cove & St Kents and lost one game to Buckland Beach Intermediate

The standard at the tournament was exceptionally high with St Kentigern winning the girls tournament. Our girls played St Kentigern in the pool play and were the only team to keep them scoreless. The players of the tournament were Charlotte Bates & Melanie Vaka

The Redoubt Boys won 6 games in their pool play against Elim, Farm Cove, Mission Heights, Buckland's Beach, Pakuranga & Howick Intermediate. The boys only lost one game to Somerville Intermediate in their pool play. The eventual winners were Mission Heights who we beat 3 -1 in pool play. The boys futsal team played

amazingly and were able to score 10 goals in one game. The players of the tournament were JP Shelley and Mohammed Sohail.

### KAPA HAKA MO TE KINDERGARTEN

This year our Kapa Haka group was invited to celebrate Matariki with our whanau at the Redoubt North Kindergarten. We were asked to share a performance of our Redoubt North Haka with the tamariki, their whanau and the teaching staff. Once again, the students did an outstanding job of performing our haka and we were grateful for the shared experience.

### FOOD FOR THOUGHT

Explorer Pod have just completed the "Food for Thought" Programme learning about making healthier food and lifestyle choices. They have had special class sessions working with a nutritionist from the Heart Foundation. They have learnt how to read food labels and have been amazed to find out how much sugar is hidden in different foods!

## KI O RAHI TOURNAMENT

On the 28<sup>th</sup> of June two Redoubt North Ki o Rahi teams participated in the Matariki Ki o Rahi Auckland Champs. This is the 5<sup>th</sup> year we have taken part in this competition. Ki o Rahi is a traditional Maori game and the 2018 tournament had a huge focus on Maori immersion. This meant the whole tournament was spoken and refereed in Te Reo Maori. Our school displayed excellent sportsmanship and determination, which was noted by Wairangi Koopu (Ex Warriors player). Both teams competed outstandingly and made the finals for each of their pools, with the A team winning the Plate and the B team winning the Bowl.

## QUILTING MORNING TEA FOR SPONSORS

A morning tea was held for the sponsors of our current quilting project. Our thanks go out to Mrs Robyn Burgess our incredible quilting instructor, who has organised sponsorship once again from individuals and companies to enable us to complete this project for the 6th year in a row. Enterprise students have once again completed with pride, a quilt that they can take home and use on these chilly nights!

## SIR PETER BLAKE - DREAM TEAM VISIT

Dr Karen Willcox from the Sir Peter Blake Trust Dream Team visited our school during the Leadership Week in July. She is a Professor of Aeronautics and Astronautics and Co-Director of the Centre for Computational Engineering at MIT in America. Karen also leads two multi-institutional research teams: one funded by NASA to develop methods for the design of environmentally sensitive aircraft. She is an inspirational Leader who every year aim to inspire Kiwi kids to follow their dreams. She told her stories, planted seeds of inspiration, and encourage our young leaders to have big dreams and back themselves to make them happen.

## ASB GETWISE

Have you ever wondered how to use an Eftpos card? Well, on Monday, Marlon challenged us to become Cashchampions. Marlon transformed into P. T. to teach us about invisible money that can be used through the use of EFTPOS cards. P. T. was hilarious in his teaching. P. T taught us that when you go shopping you MUST take a list with you and stick to that list, otherwise you will begin to buy items you want and don't need. He also taught us how to add money and to be smart shoppers. Remember this: Stop the wheels and look for good deals. After successfully completing P. T.'s challenges, we were able to be called CASHCHAMPIONS!

A sore throat can lead to rheumatic fever if it's left untreated. Rheumatic fever is very serious and can cause heart damage.

Every time your child has a sore throat it could be serious. Don't ignore, take them to a doctor or nurse straight away to get it checked. Call **Healthline** on **0800 611 116** to find out more.
