

SPORTS UPDATE

Enterprise Year 7 & 8 Rugby team competed in the South West Rugby Tournament, due to the SEZ Rugby tournament being rained off. The team performed amazingly and enjoyed their day, winning all of their games.

Year 5 & 6 Netball

Our three Netball teams had an amazing day at the Otago Primary School Netball Tournament. The Girls A team came third, Girls B team second and the Boys just missed out on making the final in extra time.

Year 7 & 8 Football

Enterprise Football teams travelled to St Kent's to play in the SEZ Football Tournaments. Thank you to Coach Dan Aмосa for coaching the Boys team this year.

Congratulations to our students Frank Fale, Joshua Futi, Joshua Mau and Hau Vaka (pictured right) who were selected for the Auckland South Bill McLaren Team. This is a representative rugby tournament where Year 7 and 8 boys represent the area that they go to school in and play teams from Auckland East, West and Central Auckland.

Congratulations also to Tina Fale (pictured right) who was selected in the Junior Stormers Girls representative team who will also compete the first week of the holidays.

Well done to all of the teams!!!

CAR PARKING

Please be aware that 3pm is a very busy time at the school gates and parking is limited. We also have construction vehicles entering and leaving the driveway due to building projects. To keep our children safe we ask that you park considerately and be aware of children crossing behind your car. The children are also not allowed to walk through the school car park to avoid any possible accidents with service/construction vehicles reversing out of the carpark.

Our school patrol times are between 8.20am-9am and 3pm-3.15pm, at Diorella Drive and Te Irirangi Drive only. Please support our road safety programmes by taking your children across the road using the patrols.

MATARIKI WRITING ACTIVITIES

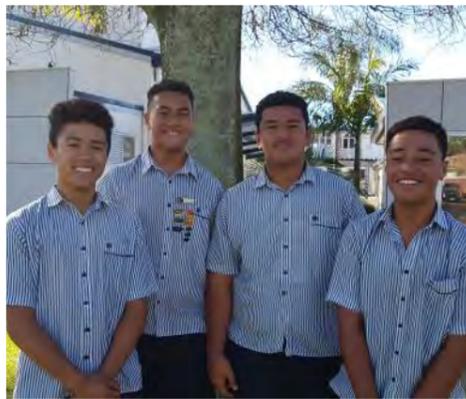

Matariki writing activities and stories are schoolwide this week, we hope you enjoy these beautiful acrostic poems from Hannah Chand and Aysha Miru in X5.

Mid June is when Matariki rises
Always ensure you see the 7
stars for good luck
Tupu ā nuku, Tupu ā rangi
A New Year begins
Remember our departed
ancestors
I like spending time with my iwi
during Matariki
Kites are flown to send
messages to the sky god
I love gazing at the seven stars

By Hannah Chand X5

Matariki is the Maori New Year
At night
Tupu ā nuku
A time to celebrate
Remember people who died
It sparkles and twinkles
Kites climbing
It gives light at night

By Aysha Miru X5

LEGO EXHIBITION

What an amazing fun filled 2 nights our Lego Exhibition was!!

Every class exhibited their Lego builds with kits or “free building”. We had displays that covered : Our Emotions, the Zoo, our City, Legoland, Arctic Excavation, Jurassic Park, Super Heroes, Harry Potter, Star Wars, Movie making and Robotics.

Throughout the evening “Lego challenges” were ongoing for everyone to compete in and “Brick Bags” to build with. Lego jewellery sales were very popular with necklaces, earrings, rings, cufflinks and head bands for sale. Everyone had a great time particularly those who left with Lego prizes! Well done to everyone and we look forward to our next exhibition!!!

BOY'S BREAKFAST

Breakfast kick-starts your metabolism and helps you burn calories throughout the day. It also gives you the energy you need to get things done and focus at school. During the Enterprise “Growing Great Guys” meeting in week seven, we prepared and tasted healthy, cost efficient and “easy” breakfast options these included: Uncle Tobys Oats, Eggs, Toast and Marmite and Weetbix. A huge thank you to Sanitarium, our kind breakfast sponsor.
