HOLIDAY BUILDING

During the school holidays there was extensive work on roofing and new gutters. There will also be an upgrade to the canopy, roofing and front of school buildings due to failed cladding. Seating underneath the new Amphitheatre should commence shortly providing additional shade and sports area. We will keep you updated on progress and safety.

PEDESTRIAN CROSSING

As you will have noticed, new patrol signs have been erected to avoid carrying heavy signs to the road each day. Road stop and safety markings will also be added for motorists in the near future. We would like to remind everyone to park safely to avoid and danger to our children. **We want to keep every child safe.**

BACK TO SCHOOL

Thank you to all of our parents who have been very prompt to purchase stationery packs through the school office. A reminder that school hats are compulsory for play and PE/Sports in Term 1 and 4 in the hot weather. They can be purchased from the office for \$20.

UNIFORMS AND STATIONERY

This year we again provided every student with a free writing book and a pencil so learning could begin on day one of the term. We also kept stationery and uniform costs to a minimum and the lowest of many schools. Thank you to everyone for providing uniform and stationery this year. We realise times are difficult. Please contact the office if you still need to purchase any items, or require any assistance

ATTENDANCE

A huge thank you to Parents/caregivers for getting their children back to school on time and having a focus on learning. Like you, we have high expectations and want your child to achieve to their full potential. Please contact the office/Schoolstream to advise us if your child is sick and will be absent. Students leaving school early must have a valid reason ie; Medical/Dental appointment or special family circumstances. All children must be signed out through the front office with the blue "School Leave Slip" to ensure child safety. Reminder that school hours are 9am-3pm.

LUNCHES

Thank you to all of our families for providing children with lunches from home. Our Tuck Shop provides healthy lunches everyday and these can be ordered in the morning before school. Snacks at morning tea break are also available.

CONTACT DETAILS

Many Whānau move house and change contact details over Christmas holidays. Please inform the school office if you have done this, so we can keep emergency contact details up to date. Thank you.
