ENDEAVOUR SCHOLARSHIPS FOR 2019

It is with great pleasure that we announce that two of our Year 6 girls have been awarded the Endeavour Scholarship to attend St Cuthbert's College from 2019. Congratulations to Joesalina Mafi (left) and Teuila Leota (both from X5) for this well deserved success. They become the 13th and 14th recipients of scholarships to attend St Cuthbert's College for tertiary education in the last 13 years. *Congratulations girls!*

AUT VISIT—BRAVE HEART EXHIBITION

Enterprise students had the opportunity to visit AUT and experience the Brave Heart Exhibition. Students learnt about how the heart works, how heart disease is investigated, and the story of New Zealand's leading role in the evolution of heart surgery. The AUT navigators placed students in whanau groups and lead the students around the campus to the different workshops. These workshops taught students about the heart while encouraging teamwork, the importance of moving and confidence building. Students were given a challenge and were encouraged and supported to take risks and perform to the larger group at the conclusion of the session. This was a wonderful experience for all of the students and we are very thankful for the wonderful opportunities that AUT continue to provide Redoubt North. We enjoy the mentor ship, enthusiasm, support and encouragement that these AUT navigators provide our students.

YEAR 6 QUILTS

Ten of our year 6 students have enjoyed the opportunity to make their own brick wall quilts this term. A huge thank you to Mrs Burgess for coming to help us to prepare for this project and sharing your skills and time with the students. We **LOVE** our new quilts!

NZ DANCE COMPANY

We were privileged to have two professional contemporary dancers from The New Zealand Dance Company at our school working with our Senior School students. The style of the workshop mirrors how the professional contemporary dancers improvise and choreograph routines in the studio. As a result, our students developed confidence working in a collaborative and innovative environment.

BASKETBALL

Last Friday our Redoubt Primary Basketball teams had the opportunity to spend the day playing basketball at the amazing Pulman Arena. The teams competed in the Counties Manukau Invitational Basketball tournament which included schools from Otara, Mangere and Otahuhu. The Girls team won three out of four of their pool play matches, then went on to win one of their cross over games. The Boys team won two and drew one of their pool play matches. The Girls Player of the Tournament was Evangelista and the boys Player of the Tournament was T.J.

DIGICON 2018

We would like to welcome Parents/Whanau of the Year 5 to 8 students along to "Digicon 2018" our first digital information evening. Together we will explore how we are using digital technologies in our school and how we can partner together to support our tamariki in the vast and ever changing online world. There will be interactive activities, app presentations and amazing spot prizes sponsored by PB Technologies! Put the date in your digital diary and see you there! Wednesday 26th September 6:30pm - 7:30pm.
