

NEWSLETTER

Welcome to all new students and families—we hope you settle into your new class and make many new friends: David Naila Martin, Saralina and Caroline Tangi, Zoe Feleti Renata and Harmony Ipinui

ONLINE SAFETY

In week 8, we hosted John Parsons to work with our year 4 to 8 students about the importance of being safe online. John is regarded as an expert in this field and the students learnt an incredible amount from his time with us. John also gave a parent's workshop on March 21st where he gave information and advice on how best to keep our children safe online and the values that go with that. We'd like to thank all the parents who came to that workshop and we'd also like to thank John, for the informative and invaluable workshops presented.

"COLOUR YOUR DAY" FUNDRAISER

A huge thank you for your support in fundraising for the Christchurch appeal. We are pleased to announce that we raised \$1352 in total and we have donated this to the Christchurch Mayoral fund, "Our people, Our city".

PROJECT PIPELINE

Project Pipeline is a partnership between Redoubt North and the Auckland University of Technology that started in 2016. The focus is on the development of educational pathways for our year 8 students. The students meet with Project Pipeline mentors every Wednesday afternoon, learning about science, social studies and the development of building a positive personal character. Each session is delivered by AUT student mentors (navigators) and supported by classroom teachers. This is an exciting project that encourages students to think about future career and educational pathways.

CHALLENGER 1

After reading in the New Zealand herald about the Paper Doll Project Challenger One decided to help create a class paper doll chain to promote cultural harmony.

C1 all were given one paper doll each, in which we drew ourselves to promote our own culture and identity. We then linked the paper dolls together in one long chain to show how unique and special we all are. When we linked it together, it was 220cm long and displayed a range of ethnicities in our classroom such as Maori, Filipino, Cambodian, Indian, Fijian, Chinese, Tongan, NZ European, Samoan and South East Asian!

The 'Paper Doll Project' encourages schools, preschools and families around New Zealand to join in project as a way of demonstrating inclusion and acceptance of all cultures.

Evangelista Tuala and Cecilia Toaga get down to serious rugby business

RUGBY DEVELOPMENT DAY

Thirty Year 7 & 8 students attended a Rugby Development day at Lloyd Ellsmore Park. The day involved learning new skills and strategies throughout games. We hope to now incorporate these skills into our future tournaments.

REDOUBT GIRLS TOUCH CHAMPIONS

Last week Redoubt North hosted the Otago Primary School Touch Tournament at Bruce Pulman Park. Our Primary Boys and Girls team both competed in a full day of Touch games against other Otago Primary Schools. Our Redoubt Girls team were unbeaten winning the Girls grade. Congratulations to Tori-Lyn Faiva who was identified from Touch NZ as the Female Touch Player of the Tournament.

CHESS COMPETITION

The Redoubt North Chess Team competed in their inaugural "Power Chess" competition last week. They played exceptionally well and made our school proud. They were placed second and will now represent our school at the Regional Competition in June. Well done to Han Nguyen, Andy Ngo, Max Wilson-Flavell, Tanav Prasad, Dezaun Hansen-Robinson and Akeel Abdul.

NEW CONSTRUCTION

During the school holidays construction will commence on a new building between Apollo Pod and the Kindergarten. Due to Health and Safety the gate by the side of the Kindergarten will not be open for entry or exit from Charntay Ave. All entry and exit to our school will be from the gates on Diorella Drive. We look forward to revealing our new project next term.

Term One 29 January - 12 April	Term Two 29 April - 5 July	Term Three 22 July - 27 Sep	Term Four 14 Oct - 12 December
