

Welcome to all new students and families—we hope you settle into your new class and make many new friends, welcome to: Jade Moa, Lionel Norfolk, Paulo Tupuse, Canaan Fa'asolo-Siitia, Troy Snow, Joseph Aramoana, Zana and Elina Sen, Krishnav Sharma, Jacko Paua, Romen Marino, Jesstelle, Erique and Alzarar Rio-Tupe, Pelu Maifala, and Koda Crimmins.

## COLOURS AND KALEIDOSCOPES

We were so excited to arrive at school to find the front lawn covered in colourful pinwheels! They were turning and spinning and reflecting the light. It looked like lots of rainbows. We wrote descriptive stories about them and then they moved the next morning to Voyager crib wall. They were really spinning really fast creating one colour! Some of the class took them for a walk to see how fast we could make them spin. Now they are in each Junior classroom turning and moving as the breeze comes through the windows.

Holiday  
Monday 7 June

## ALUMNI SAVANNAH TAFU-LEVY

Dreams have come true for Savannah, who attended Redoubt and was a Prefect in 2006. A school visit to TV3 and meeting Hilary Barry and Mike McRoberts inspired her to become a news reporter. Savannah worked her way through media studies in Melbourne, interning at Channel 7 News and Fox Sport, Sydney. Savannah is now the Co-Host and Field Reporter for the new Rugby League show, "The Ditch". This airs on Sky TV and Fox Sports. Savannah then worked with the NZ Warriors and ARL.

**Congratulations Savannah on your amazing achievement!! We are so proud of you, well done!**

# TEACHER ONLY DAYS

2nd and 3rd JUNE, Queens Birthday 7th June  
*School will be closed on these days.*

## COVID 19 MASK WEARING

It is great to welcome Parents and Caregivers back on site from 2.50pm each day. Please could we remind you that we are continuing to wear masks as an extra layer of safety for students and ask that you do also. We appreciate your support.

## SCHOOL ATTENDANCE

A reminder to please contact the school if your child is absent. This can be either by phone, email, Schoolstream App, or note to the teacher. We will be following up on children who are consistently late or absent. We are very keen to get everyone attending school again to ensure learning and achievement is ongoing.

## COLOURFUL EXPERIMENTS

Voyager pod have been investigating colour using different experiments.

Voyager 1 were investigating a science question "Does food colouring from skittles dissolve in water?" The students loved how the patterns were made when the colour dissolved off the skittle. Even the 'S' came off!

Voyager 2 used shaving foam to mimic clouds and then dropped food colouring into the foam to show what happens when a cloud gets heavy with water.

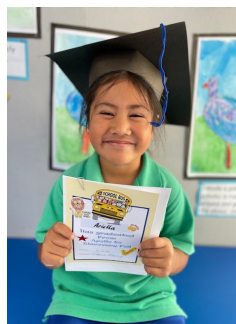

## CELLPHONES

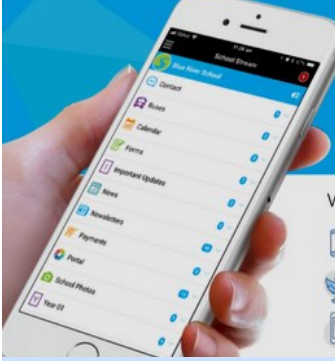

Cellphones are not permitted at school. This is to avoid breaches of privacy, interruption of school lessons, cyber bullying and theft. Students found with cellphones will be required to hand it in to the office for parents to collect from school. In the event of emergency, family can contact the school on 2639060.

## APOLLO GRADUATES

At the end of Term 1 we had a special presentation during our Junior Zoom Assembly for some of our amazing Apollo students. They graduated from Apollo Pod and started in their new classes in Discovery Pod at the start of Term 2. They look so proud!

### Download our school app for free!

Why download the app?

- Receive instant notifications for important news.
- Easily register absentees and excursions.
- Keep up to date with events and set reminders.

- Go to the App Store and download "School Stream" to your phone.
- Open the app and type the school's name into the search bar to load the school's profile.
- Make sure you agree to Push Notifications when prompted.

**Term Two**  
2 May—8 July

**Term 3**  
25 July—30 Sept

**Term 4**  
17 Oct—14 Dec
